

Updated April 2021

We want to thank everyone for their cooperation with the safety protocols and policies we have had in place since the pandemic began last spring. We have updated our protocols effective April 1st, 2021.

We ask that you screen your athlete at home and refrain from bringing them to the gym if they have any of the following new or worsening signs or symptoms of possible COVID-19.

- Cough, shortness of breath or difficulty breathing
- Loss of taste or smell
- Feeling feverish or a measured temperature greater than or equal to 100 degrees. (We will no longer monitor upon arrival)
- Known close contact with a person who is lab confirmed to have COVID-19

Updated Gym Protocol:

- Upon arrival, everyone entering the building will be required to use hand sanitizer (available right inside the doors).
- Athlete masks inside the gym are *optional*.
- Athletes need to continue to bring their own water bottle with their name on it. We have water / gatorade for purchase at the front desk for \$1.
- Staff will wear masks when within 6 feet of an athlete.
- Athlete Parents / Guests viewing is now available in the lobby only. Maximum of 2 guests per athlete.
- Masks for Lobby guests will be required. We have masks at the front desk available for \$1 each.

We are continuing to remain diligent in our sterilization & cleaning protocols. We appreciate your continued support! Let us know if you have any questions!
