Practices:

Teams practice 2 times a week which will include one weekday and one weekend day. Each practice will range from 1.5-3 hours starting June 1st, 2021. Practices are mandatory for all team members. Extra practices may be scheduled in the weeks leading up to competition if necessary. We do occasionally make modifications to the team schedules throughout the year. Choreography Dates / Times TBA

Team Practice Rules

Parents and friends may not sit inside the gym area. Practices may be viewed on the monitor in the lobby. We reserve the right to close practices. Athletes must have a positive attitude and come to each practice ready to work hard and give it their all! Negative behavior will not be tolerated. Any form of disrespect or actions contrary to expected conduct towards the gym, coaches, other athletes, parents, or other gyms will result in immediate dismissal from the program.

There is to be NO JEWELRY worn to practice, which includes all earrings, belly button rings, and necklaces. This is not simply for appearance sake, but for the safety to the one wearing the jewelry and for those either flying or basing who might be injured as a result. All CELL PHONES should be turned OFF during practice time. There is to be NO GUM whatsoever at practices or competitions. There is to be NO excessively long fingernails or sculpts. Team practice clothing must be worn. Athletes are expected to wear the appropriate practice outfit and their hair up and out of their face. Lost, misplaced or damaged clothing will be replaced at your expense. Anyone late or dressed incorrectly will condition as coach sees fit.

Competitions

All teams will compete in approximately 5-6 competitions between the months of Oct-April not including any bid competitions in the spring. We hope to finalize our competition schedule by August pending published dates by Event Producers. Some events may require out of town travel. It is important to know that there is the possibility of competing on a Friday or Monday for national competitions so your athlete may have to miss a school day for those competitions. Also, keep in mind that venues can change unexpectedly so the calendar we put out could be modified at any time.

Medical Conditions

At tryouts, parents must submit a written notice with details regarding special medical conditions that require medication, asthma inhalers, extreme allergies, etc.

Attendance

Storm All Stars is an organized program. The success of our teams depend on each individual's commitment to the program. In order to build a strong team, we must have a strong dedication to the program. We realize many children and young adults are involved in a variety of activities; however, we cannot make exceptions for schedule conflicts. We expect top priority and 100% commitment and attendance. Athletes are expected to attend all competitions as a team. During the summer months we understand practices will be missed due to vacations, but an excess of absences may result in being removed from the program all together. Please refer to the Attendance Guidelines & Expectations in the registration packet for additional requirements & conditions.

Injuries

In the event that a student is injured at home or during other extracurricular activities, we ask that you please notify us as soon as possible. You should call Billie Odem directly. We will make changes with choreography prior to practicing. We will re-choreograph routines based on the person's injury and length of recovery. Once the individual has been fully released by doctors, he or she may or may not be choreographed back into the routine based off the amount of time before the team's next competition. The coaches have complete discretion in replacing such individuals for the rest of the season. All injured athletes must continue to pay their team fees and monthly tuition to reserve their spot on team. No refunds will be given.

Cancellation

A fee of \$350 will be applied to any athlete who leaves the program voluntarily, or for disciplinary reasons. The program incurs additional costs when an athlete leaves. Re-choreographing a routine, no matter how early in the season is a very costly & time-consuming process. ****Should your athlete be removed from the program for either Disciplinary reason or by your choice, there are NO REFUNDS for any reason.*
